

Invitation to Klaipeda University International Week 2025

March 18–21

Dear Colleagues,

We are delighted to invite you and your esteemed institution to participate in Klaipeda University International Week 2025 (KUIW 2025), hosted by the Faculty of Health Sciences at Klaipeda University. Taking place from 18 to 21 March 2025, this inspiring event by the Baltic Sea aims to foster international collaboration, spark innovative ideas, and strengthen partnerships.

Why Join Us?

The Faculty of Health Sciences at Klaipeda University has a proud tradition of nurturing the next generation of health care and well-being specialists. With today's understanding of human health more expansive and interdisciplinary than ever before, we are excited to be part of the dynamic progress shaping the field. We warmly invite you to share your expertise, engage in thought-provoking discussions, and explore possibilities for future cooperation.

What to Expect?

KUIW 2025 is a platform for academics and practitioners from partner universities to:

- Exchange knowledge and ideas.
- Present ongoing projects and good practices.
- Discover opportunities for collaborative research and innovation.
- Experience educational and cultural activities that highlight Klaipeda's unique heritage.

These visits are designed to provide a deeper understanding of Klaipeda University's resources and the local cultural environment. This International Week is a unique opportunity to engage with peers in an enriching environment and to build lasting connections. From the classroom to the vibrant cultural landmarks of Klaipeda, we invite you to immerse yourself in both academic and cultural exchanges.

**We look forward to welcoming you
to Klaipeda in March 2025!**

What to discover?

During the International Week, participants will have the opportunity to visit several remarkable locations that showcase the academic and cultural richness of Klaipeda:

18th March 10.00-12.00

opening event and the meeting with Klaipeda University Rector, 13.00-15.00 visit to the KU STEAM Center, an innovative hub for science, technology, engineering, arts, and mathematics education.

19th March 10.00–17.00

visit to the KU laboratories, where cutting-edge research and development take place. You will get acquainted with the Kinesiotherapy room and Sports laboratory; observe the implementation of the project 'Move and Know' and participate in the orientation activities 'Discover the Old Town of Klaipeda'

20th March 10.00-15.00

visit to the Lithuanian Maritime Museum, offering a fascinating blend of maritime history and natural wonders.

21st March 9.00-19.00

participating in the International Scientific Conference 'Health Promotion Innovations and Heritage for Human Well-Being', offering participants an opportunity to present their scientific contributions and insights.

Warm regards,
The KUIW 2025 Organizing Committee
Faculty of Health Sciences Klaipeda University
